Dear Dr. Guzman

We have received and reviewed the communication you sent to members of our Board and our Conference. We also acknowledge and appreciate the visit of Saul Castorena Monterrubio and Xavier Maza to G.S.O. today and their explanation of your position.

At this time we are not in a position to respond to the statements or requests that you have made in any way. We are, as I indicated, giving this situation serious review and consideration and will further respond as soon as possible.

As we talked about during the visit, we hope and pray that all concerned in Mexico will strive with all their hearts to achieve unity and to preserve the loving and vital A.A. Fellowship that exists throughout your country. As I indicated to you, and have offered to Central Mexico, we would be willing to do anything we could to assist our Mexican brothers and sisters in their search for unity.

Yours very truly,

George Dorsey  
General Manager
