General Services Conference
E.E.U.U. & Canada Sections.
Presents.

By means of a letter addressed to the World Services Inc. signed by Thomas K. Jasper, we obtained information that Services directory giving the permission or authorizing the "Central Mexicana de Servicios Generales de Alcoholicos Anonimos, A.C." to initiate legal actions VS. our "Junta de Servicios Generales de Alcoholicos Anonimos Seccion Mexico, A.A." guilting the organization for the responsablity of the utilization to authors rights gave to A.A., and at the same time the "logo" and literature distribution of A.A. provoces public opinion antagonism that violates "principles that no government for A.A.".

By means of this on July the 5th, to the present year, in a poor, shameful action, they sent a judge order to enter to our offices, utilizing agresivity and violency to obtain our literature (policemen, chargers, lawyers at the control office and other people).

Because of this July the 9th, of the present year we had an Extraordinary meeting of the "General Services Conference, Mexico Section AA", to valorate and send to you in an advise action, the document that avalate this and a legal inquire done to E.E.U.U. and Canada based on the Fifth Concept, copy of the legal edict that they presented versus our subsidiary, copy circumstantial act copy (in which we turned the actions done by the authorities brought by them). Attached we send also the legalized documents against our organization and copy of the summary of the actual situation of AA in Mexico, copy of the Extraordinary Meeting of the General Services Conference A.A., Section Mexico.

If you need more information or ampliation of these inform we will send to you. If you want more comments to the present one, please communicate it to us and with pleasure we will ampliate to you.

Thank you for your kind attention.
