Re: telephone number (\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_

Dear Intergroup:

Thank you for your response to our letter concerning telephone listing for those wishing to contact A.A.

IWS's one primary purpose is to carry the message. We do not wish to create a problem of money, property, or authority. To that end our next printing will include the following statements:

IWS IS NOT ENDORSED BY OR  
AFFILIATED WITH THOSE LISTED BELOW

IWS IS NOT ENDORSED BY OR  
AFFILIATED WITH THOSE LISTED ABOVE.

We feel these statements relieve any implied break with the tradition of non endorsement or opposition.

Our MINI EDITION of the FIRST 164 PAGES is the first place many alcoholics exiting, their first AA meeting, treatment centers, detox units, and prisons look. It is the book in their pocket.

We have called telephone information in your area and consulted local directories where possible and are unable to find a suitable alternative telephone listing for Alcoholics Anonymous in your area, we feel the above number should be included for the sake of the still suffering alcoholic.

IWS is an Alcoholics Anonymous group. IWS Inc. is the service arm of the group. IWS is non-profit, no one is "making a buck" from it. Information to the contrary is in error.

Again, we are just trying to help. We hope this clears up any misconceptions you may have had.

In love and service,

John G., Secretary
