Dear Mr. Gillen:

Your letter of December 15, 1993 to the Trustees of the General Service Board of Alcoholics Anonymous, Inc. has been referred to us for reply, as we are the copyright owners of the book entitled TWELVE STEPS AND TWELVE TRADITIONS. It is clear from your letter that you are aware we are the copyright owners and that you do not have our permission to publish it. Should you nevertheless proceed with the publication of the book, you will do so with full knowledge that you are infringing our copyright. In that event, we will have no alternative but to take such action as may be necessary for the protection of our copyright.

In your best interest, as well as that of our Fellowship, we urge you not to infringe our copyright.

Very truly yours
/s- George Dorsey/
