Re: letter of October 23, 1993

Dear Trustees,

Enclosed please find a copy of the letter we sent you on October 23, 1993.

At first we thought there was some unavoidable delay in your responding. Recently however, we were glad to receive a response to a different matter that was originally sent to you after the attached letter.

Hopefully your lack of response was simply an oversight. Oversight or not, we would very much appreciate your attention to this matter. The events subsequent to the September conference referred to in our letter of October 23 have been most disturbing to us and we would be grateful to hear your side of the story.

Yours truly in service

The IWS Group
