Dear Mr. Gillen:

As mentioned in our recent letter, we appreciate your understanding of our copyright position with respect to the TWELVE STEPS AND TWELVE TRADITIONS.

Turning to another matter, in keeping with your prior consent to our 1992 request, please discontinue the use of the name ALCOHOLICS ANONYMOUS as the title of your mini-edition of the Big Book. The name Alcoholics Anonymous appears on the cover in a recent printing of your mini-edition.

Also, please delete the recitation "The gray areas are not A.A. General Service Conference-Approved" that appears on the copyright page of the mini-edition. We think the recitation may lead people to believe that the General Service Conference is in some way involved with the mini-edition.

Finally, please discontinue the sale and distribution of the mini-edition in Canada. The distribution is an infringement of our copyright of the Big Book in Canada.

Yours in service,
/s/ George Dorsey/
