Subject: I.W.S., Inc. - UPDATE

Dear A.A. Friends,

There has been no response to our letter of August 8, 1994 to I.W.S., Inc. regarding sale of their mini and study editions of the book ALCOHOLICS ANONYMOUS in Canada (where our copyrights is still in force), and their use of ALCOHOLICS ANONYMOUS on the cover of the book.

We have recently learned that I.W.S., Inc. has published a mini-edition of our Spanish translation of the book ALCOHOLICS ANONYMOUS. We have advised them that our Spanish translation of the book is copyrighted in the United States as well as around the world, that their publication is an infringement of our copyright, and asked for written assurance that they intend to comply with our request to discontinue further publication and distribution.

We have also told them that the issues raised in our August 8, 1994 letter need to be resolved and requested their response without further delay.

Yours in Fellowship,

/s= George /
