Re: Meeting

We asked our mutual friend, Frank, to arrange a meeting between us.

Frank has informed us that you indicated this was not possible because as an employee of A.A.W.S., Inc. you need the following information to obtain the needed permission of the Trustees prior to meeting with us.

- you need to know the names of who you are meeting with.
- where the meeting will take place.
- the date and time of the meeting.

We understand your situation and we want to be accommodating.

We too have considerations, we have no employees so we will be meeting with you as a committee of the IWS Group of Alcoholics Anonymous. Our members are distributed throughout the world. Exactly who will comprise the committee depends on when and where the meeting will be.

We asked Frank to arrange the meeting because he is known to you. We suggested California because you live there. We thought you might be at your home in Hawaii and suggested that we could meet there. We asked for a copy of any agenda you may have so that we can get a sense of our group conscience prior to our meeting. We have relayed to you that our objective in having a meeting is to prevent and end controversy.

Say when and where, and we will do all we can to meet with you at your convenience.

Thank you, we look forward to meeting you.

Yours in love and service,
